[12.04.102 – Outdoor cafes and food carts in public places](#) [25]

1. The City Administrator is authorized to issue Sidewalk Café Permits for the use of public places located in the

CBD-1 zoning district (except for public places located in the First Street TIF District, as hereinafter described), for the purpose of serving food and beverages to the public (including, without limitation, the placement of restaurant tables, chairs, food carts, and similar or related equipment), subject to the following conditions:

1. Permits issued hereunder shall be valid from January 1 or the date of permit issuance, whichever is later, through December 31 of the same year. The permit fee for a Sidewalk Café Permit shall be fifty dollars (\$50.00) for each year the permit is obtained.
2. A Sidewalk Café Permit shall be required prior to placing tables, chairs, umbrellas, enclosure fencing, food carts, or any other equipment on any public sidewalk, or walkway or plaza.
3. Sidewalk Café Permits may be issued only where the equipment is incidental to the operation of a restaurant on private property contiguous to the sidewalk, walkway or plaza.
4. The proposed use shall not unreasonably interfere with pedestrian or vehicular traffic or with access to parked vehicles, and in no event shall the uses permitted by a Sidewalk Café Permit reduce the open portion of any sidewalk or walkway to less than five feet (5') in width. All equipment placed in the public area shall conform with Section 12.04.200 of this Chapter as to corner visibility.
5. Prior to issuance of a permit, the applicant shall furnish a dimensioned plan showing the sidewalk or other public space and all existing public improvements and encroachments such as light posts, benches, planters, trash receptacles, fences, trees and tree grates in the area, bicycle racks and newspaper boxes. The diagram shall also include the location of the curb relative to the building and the proposed location of all café furniture, food carts, and other equipment to be placed on the sidewalk.
6. The consumption and possession of alcoholic beverages in the area for which a Sidewalk Café Permit has been issued shall be prohibited, except as allowed pursuant to Title 5, "Business Licenses and Regulations," Chapter 5.08, "Alcoholic Beverages," Section 5.08.300, "Consumption and Possession of Alcoholic Liquor on Public Property."
7. All applicable County Health Department sanitation requirements shall be followed for outdoor food handling. The permittee shall be responsible for posting the outdoor seating area as to any special Health Department requirements.
8. All public areas encompassed by the Sidewalk Café Permit shall be maintained in a sanitary manner at all times. Food scraps and containers shall be disposed of in appropriate refuse containers on a regular basis during the day by the permittee. Sweeping of refuse or food scraps into tree grates is not permitted.
9. Permittees are responsible for emptying the public trash containers placed by the City if they should become full prior to the next regular pickup time.
10. Permittees shall see that the public areas encompassed by their Sidewalk Café Permit are clean at the end of each business day, so as not to have any food or drink leftovers remaining which would pose an attraction to animals or insects. Each permit holder shall wash, as needed, the public area to remove any food or drink residue that may attract animals and/or create a pedestrian slip hazard.
11. Design and placement of tables and chairs, as well as other equipment, shall comply with applicable requirements of the Americans with Disabilities Act and the Illinois Accessibility Act.
12. No tables, umbrellas, enclosure fencing, or other equipment shall be attached or affixed to the sidewalk, parkway, poles or any other public facilities.
13. The applicant for a Sidewalk Café Permit shall provide at its sole cost and expense and shall maintain in effect during the entire period of the permit, insurance in the following manner:
 1. Worker's Compensation Insurance in at least the required statutory limits;
 2. Comprehensive General Liability Insurance, including owner's protective liability insurance and contractual liability insurance covering claims for personal injury and property damage with limits of at least two million (\$2,000,000.00) dollars per occurrence, and two million (\$2,000,000.00) dollars for any single injury; and
 3. Prior to issuance of a Sidewalk Café permit, the permittee shall provide the City with copies of the certificates of insurance for the required policies for each type of insurance naming the City

as an additional insured party.

4. The required insurance policies shall each provide that they shall not be changed or cancelled during the life of the Sidewalk Café Permit until 30 days after written notice of such change has been delivered to the City.
14. The permittee shall indemnify, defend, protect, and hold harmless the City, its corporate authorities, officers, employees, agents and volunteers from and against any and all claims, demands, losses, damages, liabilities, fines, charges, penalties, administrative and judicial proceedings and orders, judgments, remedial actions of any kind, all costs and cleanup actions of any kind, and all costs and expenses incurred in a connection therewith, including but not limited to a reasonable attorney's fees, expert witness fees and costs of defense (collectively, the "Losses") directly or proximately resulting from permittee's acts or omissions, except to the extent that the city is the sole legal cause of said losses. The foregoing notwithstanding, under no circumstances shall the issuance of any permit provided for under the St. Charles Municipal Code, including but not limited to a Sidewalk Café Permit, to the permittee or any other person or entity constitute an act of negligence or willful misconduct. Nothing set forth in the said permit shall be deemed a waiver by the city of any defenses or immunities relating to the permittee or its property, or to any person or entity or their property, that are or would be otherwise available to the city or its corporate authorities, officers, employees, agents and volunteers under the common law of the State of Illinois or the United States of America. The provisions of this section shall survive the expiration or earlier termination of each Sidewalk Café permit, or the renewal thereof.
15. The City may suspend or revoke the Sidewalk Café Permit for any reason including, but not limited to violations of any provision of the St. Charles Municipal Code after providing at least three (3) days written notice, except in an emergency, to a permittee.
2. The City Administrator is authorized to issue Sidewalk Café Permits for the use of public places located in the First Street TIF District for the purpose of serving food and beverages to the public (including, without limitation, the placement of restaurant tables, chairs, food carts, and similar or related equipment), subject to the conditions outlined above as 2. through 15., as well as the following additional conditions:
 1. No tables, chairs umbrellas, enclosure fencing, food carts, or any other equipment in the outdoor café area shall obstruct any access areas for emergency vehicles.
 2. If the outdoor café area is fenced in, the door that provides access to the outdoor café area shall not be a required exit for the building, tenant space or unit.
 3. Permits issued hereunder shall be valid for a term of one hundred (100) days or less and shall be issued for the period of April 15 (or the date of application, whichever is later) through July 23 and/or the period of July 24 (or the date of application, whichever is later) through October 31. The holder of a permit for April 15 through July 23 shall not have any automatic right to the issuance of a permit for the period of July 24 through October 31, but shall have the right to apply for a second permit. If a second permit is applied for within a calendar year, the permit fee for the second permit shall be twenty five dollars (\$25.00).

The First Street TIF District is described as follows: That part of the Northwest Quarter and the Southwest Quarter of Section 27, Township 40 North, Range 8, East of the Third Principal Meridian in the City of St. Charles, Kane County, Illinois described as follows: Beginning at the northeast corner of Block 44 in Original Town of St. Charles, said point also being the intersection of the south right-of-way line of Main Street (Illinois Route 64) and the westerly right-of-way line of 2nd Street (Illinois Route 31); thence easterly along said southerly right-of-way line to the west bank of the Fox River; thence southerly along said west bank to the southerly right-of-way line of Indiana Street; thence westerly along said southerly right-of-way line to the easterly right-of-way of 1st Street; thence southerly along the easterly right-of-way line of 1st Street to the northerly right-of-way line of Prairie Street; thence easterly along said northerly right-of-way line of Prairie Street to the northerly extension of the west line of Lot 5 in the Piano Factory of St. Charles Subdivision; thence southerly along the west line of said Lot 5 and the northerly extension thereof to the most southerly corner of said Lot 5; thence southwesterly along the extension of the southeasterly line of said Lot 5 to the

12.04.104 – Sidewalk signs [29]

The City Administrator is authorized to issue Sidewalk Sign Permits for the use of public places located in the CBD-1 zoning district, for the purpose of erecting signs that advertise businesses located within the CBD-1 zoning district. The City Administrator may issue two types of Sidewalk Sign Permits:

Annual Sidewalk Sign Permits; and 2) Construction Sidewalk Sign Permits, subject to the following conditions:

1. Conditions applicable to all Sidewalk Sign Permits:

1. A Sidewalk Sign Permit shall be required prior to placing any sign on any public sidewalk, walkway or plaza. The City hereby reserves the right to limit the number of Sidewalk Sign Permits issued to ensure the proper flow of pedestrian and vehicular traffic, and otherwise to protect the public health, safety and welfare. In that event, permit applications shall be processed and accepted on a first come, first served, basis.
2. The sign shall not be attached or affixed to the sidewalk, parkway, pole or any other public facility.
3. The sign shall not unreasonably interfere with pedestrian or vehicular traffic or with access to parked vehicles, and in no event shall the sidewalk sign reduce the open portion of any sidewalk to less than five feet (5') in width. The location and height of the sign shall conform with section 12.04.200 of this chapter as to corner visibility.
4. The applicant for a Sidewalk Sign Permit shall provide, at its sole cost and expense, and shall thereafter maintain in effect during the entire period of the permit, insurance in the following manner:
 1. Worker's Compensation Insurance in at least the required statutory limits;
 2. Comprehensive General Liability Insurance, including owner's protective liability insurance and contractual liability insurance covering claims for personal injury and property damage with limits of at least two million (\$2,000,000.00) dollars per occurrence, and two million (\$2,000,000.00) dollars for any single injury, and
 3. Prior to issuance of a Sidewalk Sign Permit, the applicant shall provide the City with copies of the certificates of insurance for the required policies for each type of insurance naming the City as an additional insured party.
 4. The required insurance policies shall each provide that they shall not be changed or cancelled during the life of the sidewalk Café Permit until 30 days after written notice of such change has been delivered to the City.
5. The permittee shall indemnify, defend, protect, and hold harmless the City, its corporate authorities, officers, employees, agents and volunteers from and against any and all claims, demands, losses, damages, liabilities, fines, charges, penalties, administrative and judicial proceedings and orders, judgments remedial actions of any kind, all costs and cleanup actions of any kind, and all costs and expenses incurred in a connection therewith, including but not limited to reasonable attorney's fees, expert witness fees and costs of defense (collectively, the "Losses") directly or proximately resulting from committee's acts or omissions, except to the extent that the City is the sole legal cause of said losses. The foregoing notwithstanding, under no circumstances shall the issuance of any permit provided for under the St. Charles Municipal Code, including but not limited to a Sidewalk Sign Permit, to the permittee or any other person or entity constitute an act of negligence or willful misconduct. Nothing set forth in the said permit shall be deemed a waiver by the city of any defenses or immunities relating to the permittee or its property, or to any person or entity or their property, that are or would be otherwise available to the City or its corporate authorities, officers, employees, agents, and volunteers under the provisions of the Illinois Local Government and Governmental Employees Tort Immunity Act, or that are otherwise available to local governments and their corporate authorities, officers, employees, agents and volunteers under the common law of the State of Illinois or the United States of America. The provisions of this section shall survive the expiration or earlier termination of each Sidewalk Sign Permit, or the renewal thereof.
6. The City may suspend or revoke the Sidewalk Sign Permit for any reason including, but not limited to violations of any provision of the St. Charles Municipal Code after providing at least three (3) days written notice, except in an emergency, to a permittee."

2. Conditions applicable to Annual Sidewalk sign Permits:

1. Annual Sidewalk sign Permits issued hereunder shall be valid from January 1 or the date of permit issuance, whichever is later, through December 31 of the same year. The permit fee for an Annual Sidewalk Sign Permit shall be thirty dollars (\$30.00) for each year the permit is obtained.
2. Annual Sidewalk Sign Permits may be issued only where the sign is incidental to the operation of a business on private property contiguous to the sidewalk, walkway or plaza. Only one Annual Sidewalk Sign Permit shall be issued for each business establishment, except that public service signs (i.e., signs indicating the curb location of valet parking or Health Department requirements for sidewalk cafes) may be permitted in addition to the one sign per business.
3. Conditions applicable to Construction Sidewalk Sign Permits:
 1. From time to time the Director of Public Works shall designate certain areas of the CBD-1 Zoning District as “construction zones”. Any area so designated shall be adjacent to a business or businesses. Said designation shall automatically expire upon the completion of construction activities. Within a designated construction zone, a Construction Sidewalk Sign Permit may be issued, regardless of whether an Annual Sidewalk Sign Permit has previously been issued. Signs permitted by a Construction Sidewalk Sign Permit may be located anywhere within the CBD-1 Zoning District, subject to the review and approval of the Director of Community Development in accordance with, but not limited to, all of the conditions of Subsections A and C of this Section 12.04.104. No more than one Construction Sidewalk Sign Permit may be issued for each business. Businesses may combine their advertising with up to four (4) businesses listed on each sign, and any one business may be listed on up to four (4) signs, but in no event shall the total number of Construction Sidewalk Sign Permits exceed one for each business.
 2. Construction Sidewalk Sign Permits issued hereunder shall be valid for the duration of the Construction Zone designation. There shall be no permit fee for Construction Sidewalk Sign Permits.

[12.04.115 – Encroachments - Route 38](#) [32]

1. Definitions

1. Roadway Right of Way - Those areas existing or acquired by dedication or by fee simple for highway purposes; also, the areas acquired by temporary easement during the time the easement is in effect;
2. Project Right of Way - Those areas within the project right of way lines established by the State which

will be free of encroachments except as herein defined;

3. Encroachment - Any building, fence, sign, or any other structure or object of any kind with the exception of utilities and public road signs, which is placed, located, or maintained in, on, under, or over any portion of the project right of way of the roadway right of way where no project right of way line has been established;
 4. Permissible Encroachment - Any existing awning, marquee, advertising sign, or similar overhanging structure supported from a building immediately adjacent to the limits of the platted street where there is a sidewalk extending to the building line and which does not impair the free and safe flow of traffic on the highway; the permissive retention of overhanging signs is not to be construed as being applicable to those signs supported from poles constructed outside the project right of way line and not confined by adjacent buildings;
 5. Construction Easement Area - That area lying between the project right of way limits and the platted street limits which will permit the State to enter to perform all necessary construction operations.
2. It shall be unlawful for any person, firm, or corporation to erect or cause to be erected, any ENCROACHMENT (hereinabove defined) within the limits of the project right of way or roadway right of way where no project right of way lines have been established.
 3. Project right of way lines have been established along Illinois Route 38 from Easterly corporate limit (generally referred to as 14th Street/Bricher Road) to Randall Road.

[12.04.120 – Drains - Obstruction prohibited](#) [34]

It is unlawful to obstruct any drain in any public street or alley.

([Prior code](#) [5]: § 12.112)

[12.04.130 – Poles and wires - Permission required for erection or maintenance](#) [35]

It is unlawful to erect any poles or wires or maintain any poles or wires over any public place, street, alley or other public way without first having secured permission from the city council.

([Prior code](#) [5]: § 12.113)

[12.04.135 – Underground sprinkling systems - Permission required for installation and maintenance in public right-of-way](#) [36]

12.04 – General Provisions

It is unlawful to construct or install an underground sprinkling system or maintain an underground sprinkling system in any public place, street, alley or other public right-of-way without first having secured a permit agreement and building, right-of-way, and plumbing permits from the city. The permit agreement shall be executed by the Building Commissioner on behalf of the city. It is the owner's sole responsibility to maintain and repair the underground sprinkler system. The owner shall indemnify the city from any and all liability for damages or injury arising from the installation, operation, maintenance, or location of the underground sprinkling system. Applications for an underground sprinkling system to be installed in public right-of-way shall have a permit agreement and covenant attached, prepared by the applicant (adjacent property owner) and reviewed and approved by the Building Department, stating that he has read the requirements for an underground sprinkling system located in the right-of-way and that he agrees to comply with them and that he does for himself, his heirs, successors and assigns indemnify and hold harmless the city from any liability asserted by others in connection with the installation, operation, maintenance, or location of the underground sprinkling system and that they permit the removal of any underground sprinkling system by the city if the underground sprinkling system interferes with municipal use, access, or other rights. The covenant may be recorded at the applicant's expense by the city in the County Recorder's Office. In the event city shall determine it necessary to excavate or have access across the area with the underground sprinkling system, the applicant shall remove the underground sprinkler system at city's direction and in the event of the failure thereof, the city may remove the same at owner's expense. The city shall not be required to replace the same pursuant to removal of underground sprinkling system in any event. The form of the permit agreement and covenant shall be approved by the City Council.

12.04.140 – Gas pumps - Erection or maintenance on street or sidewalk prohibited [38]

It is unlawful to maintain or erect any gasoline pump or tank in any public street, alley or sidewalk.

([Prior code](#) [5]: § 12.114)

12.04.150 – Openings or stairway - Permit required - Cover or railing required [39]

1. It is unlawful to construct or maintain any opening or stairway in any public street or alley or sidewalk or other public place without a permit from the city council.
2. All such lawfully maintained openings shall be guarded by a suitable strong cover or railing, with the approval of the director or public works.

([Prior code](#) [5]: § 12.115)

12.04.160 – Electric or barbed wire fences prohibited [40]

It is unlawful to maintain or construct any fence composed in whole or part of barbed wire, or with any similar materials, designed to cause injury to person, or any wire charged with electrical current, anywhere within the city except to protect industrial property in which case barbed wire must be at least six feet above the sidewalk and extend inward of the property.

([Prior code](#) [5]: § 12.116)

12.04.170 – Deposit on streets [41]

1. It shall be unlawful to deposit on any street any material which may make said street slippery including but not limited to leaves and grass or which may be harmful to the pavement or storm drain thereof, or any waste material, or any glass, or other articles which may do injury to any person, animal or property.
2. Where no other place is available, materials may be deposited in the street preparatory to delivery or use, with the permission of the public works services manager, and notice to the city Police Department; provided, that such deposit does not reduce the usable width of the roadway at the point to less than eighteen feet; and provided, that such material, other than material to be used in actual building construction, shall not be permitted to remain on such street for more than three hours. Any such material shall be guarded by such lights and barricades as the public works services manager shall deem necessary.
3. It shall be unlawful to remove any snow or ice from any private property and deposit the same upon any public street or alley or any part thereof.
4. It shall be unlawful to operate any vehicle on any street, alley or other improved roadway when condition of said vehicle is such that soil, clay, mud, stone, gravel or other material drops or falls from the tires or any other part of said vehicle.
5. The city may, at its election, remove any materials deposited or dropped on any street, alley or other improved roadway within the city in violation of this section, and may charge the cost of said removal to the person responsible for said violation. In addition to the operator of the offending vehicle, both the owner of the vehicle and the owner of the property from which the offending vehicle has proceeded shall be considered responsible for said violation. Muddy tire tracks or other deposit trails leading from a parcel of property shall be considered prima facie evidence of violation of this section by the owner of said property. Even if the city removes said material and charges for said removal, the violator shall not be deemed to have avoided the violation of this section and shall remain liable for the fine provided for violation of this section in addition to the removal charge.
